TRENDING TOPICS: HAVE YOU HEARD ABOUT ICAT?

Integrating Communications Assessment and Tactics is a training program developed by the Police Executive Research Forum (PERF) to enhance first responders abilities to manage critical incidents effectively and safely. ICAT integrates critical thinking, crisis intervention, communication and tactical skills combined to a training approach. Recent research shows agencies implementing ICAT have experienced significant reductions in use-of-force incidents, citizen injuries, and officer injuries.

Talk to your local law enforcement agency to learn more!
